

OTRGive: You Buy. We Give

Australian Volunteer Firefighter Associations Proudly partnering with OTRGive.

OTR is all about making life easy for our customers and this includes supporting our communities through our community partners with the easy-to-use OTRGive community program in the OTRApp.

OTRGive is more than just a program, it is a sign of our commitment to better the communities we serve. Like us, every volunteer firefighter, in every state of Australia is committed to improving the lives of their communities, helping people in need, and doing good.

So, every time you choose OTR and use the App, you're doing more than filling your tank or grabbing a snack, you're making a difference to the lives of volunteer firefighters who are dedicated to making a difference to our communities.

You simply need to select Australian Volunteer Firefighter Associations (AVFA) in the OTRApp, and when you buy through the OTRApp, like C coffee or fuel, or scan the OTRApp barcode with your purchase at the counter – OTR will give a portion of the purchase via the App to AVFA.
